

The best European
Master's Degree in
Microelectronic
Design

Javier Valls Coquillat
UPV

Telecommunications Engineer from
the Universidad Politècnica de Catalunya
in 1993 and Ph.D. in Telecommunications
Engineering from the Universitat Politècnica
de València in 1999.

Since 1993 he has been working at the
Electronics Department of the Universitat
Politécnica de València, where he is currently
professor. His research focuses on the design
of hardware-oriented algorithms and
architectures for the implementation of digital
signal processing and digital communication
systems.
